INTERNSHIP IN SERVICE LEARNING AND COMMUNITY

GENERAL DESCRIPTION

The Service Learning and Community Internship is aimed at university students and professionals interested in expanding their studies through volunteering in collaboration with the NGO Solidarios. The participation of students in this program has a double objective:

- That these students know the functioning of an NGO in Spain, benefiting from the interaction with the collaborating teams.
- That the NGO benefits from the collaboration of said interns due to their involvement in the development of volunteering.

CONTENTS

THEORETICAL AGENDA:

- Introduction to volunteering

PRACTICAL AGENDA:

- Teaching English or other foreign language classes to immigrants welcomed by the INLAYAPAS association

METHODOLOGY

The teacher will establish a mentor: student, and therefore personalized, relationship with the students during their clinical training period. Therefore, at the beginning, the teacher will design, together with the student, the necessary strategies to achieve the proposed objectives.
