"If you were to visit just one city  
in Spain, it should be Granada"

ERNEST HEMINGWAY

# The city of Granada

has become one of the most attractive destinations for international students of Spanish from all over the world. With a welcoming and safe environment, a fascinating history, a singular geographical location halfway between the snows of Sierra Nevada and the subtropical Mediterranean shore, and a prestigious university of about 70,000 students, Granada offers the perfect conditions for language learning.

While Granada offers the ideal backdrop, the University of Granada's Centro de Lenguas Modernas, which over the years has gained an international reputation for teaching Spanish language and culture, provides the ideal academic environment.

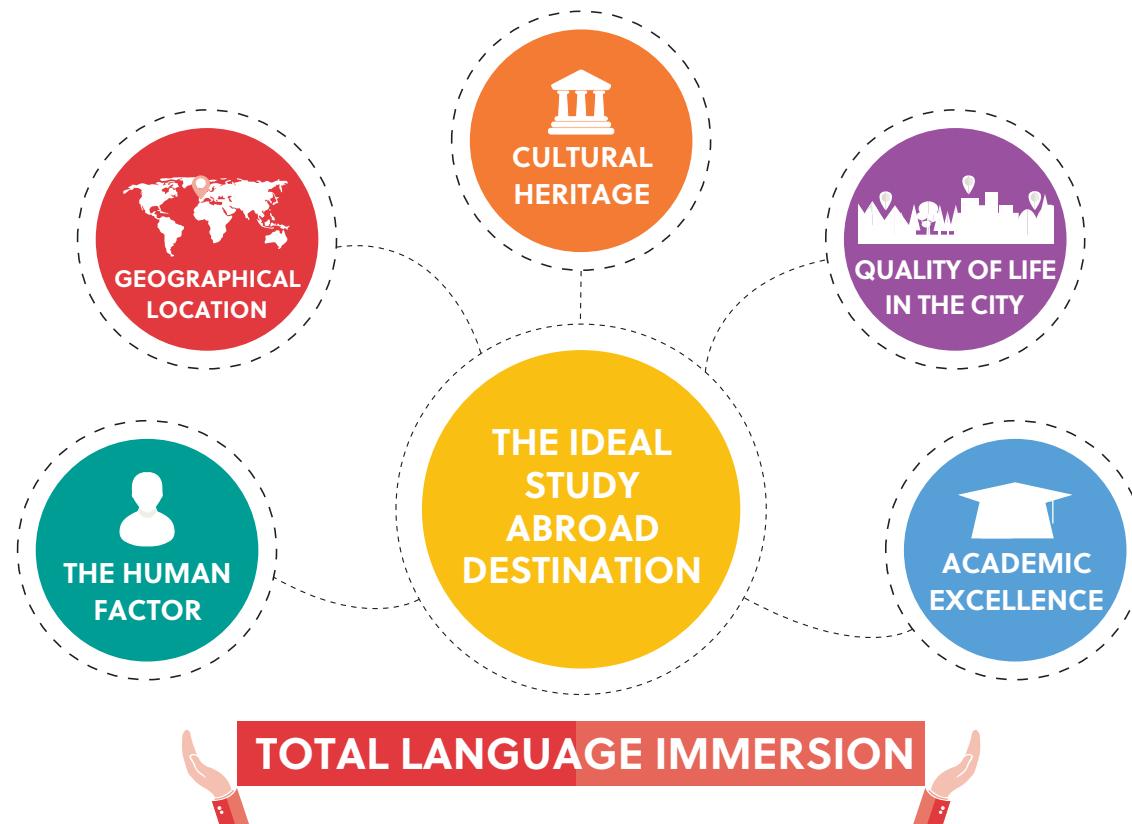

The learning experience is further enhanced by guided walking tours and visits to monuments throughout the city led by faculty members, outdoor activities that take advantage of Granada's spectacular natural surroundings, and group excursions to other picturesque cities in Andalucia.

It takes no time at all for a visiting student to realize that contact with Granada's history and culture is not limited to the formal learning in the classroom. There is constant and total immersion. The little squares, narrow streets, fountains, gardens and architecture evoke memories of times long-gone, from the Medieval Granada of the Moors and Christians to the Romantic times of Washington Irving.

At the same time, Granada is a bustling, modern city with little shops and large shopping centres, bars and terraces full of people, day and night, socializing and enjoying tapas, small samples of the rich and varied Spanish cuisine.

## SPANISH LANGUAGE AND CULTURE COURSE (CLCE)

The Spanish Language and Culture Course is aimed at students and professionals who wish to acquire a wider knowledge of Spanish whilst learning about some of the main features of Spanish history and culture.

The course is taught in two periods - October to December (Fall) and February to May (Spring).

Students in the Spanish Language and Culture course can choose four or five subjects from those offered by CLM for each period. One of these subjects may be a Modern Language Course.

Each subject in the Spanish Language and Culture Course has 45 teaching hours and a regular weekly timetable in line with the general schedule programmed by CLM.

### CLCE IN SPANISH

To take this course, students require prior knowledge of Spanish (i.e. have passed level B1.1, CLM - 4 Intermediate). CLM recommends students to take an Intensive Spanish Language Course (CILE) in September or January before beginning the Spanish Language and Culture Course.

Students who successfully complete CLCE in the Fall can then enrol in the Hispanic Studies Course in the Spring. Those who have completed ten subjects in total (CLCE Fall and CEH Spring) will be entitled to receive the Diploma in Hispanic Studies.

## HISPANIC STUDIES COURSE (CEH)

## LANGUAGE EXCHANGE

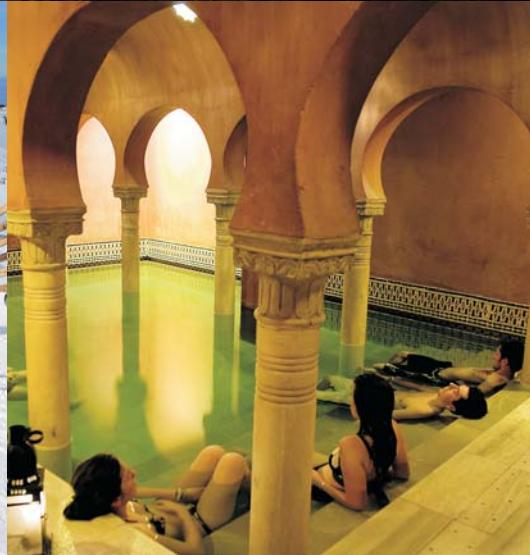

The Centro de Lenguas Modernas is committed to provide its international students a type of immersion that goes beyond the merely linguistic and academic experience. It is in fact aimed at fully entering a more social level. The life in the city, the customs and its people form an ideal framework for language exchange activities, allowing students to practice their new language in a relaxed atmosphere.

Our exchanges are held, on a weekly basis, at different leisure venues and at CLM. They give the international student the opportunity to meet Spanish students interested in practicing languages as well as exchanging life experiences.
