We encourage students to use the housing services offered by the Centro de Lenguas Modernas, to ensure a smooth, stress free arrival and stay in Granada. There can be logistical and financial complications implied in acquiring your own rental.

If students opt to acquire their own housing, it will be managed directly between the student and their property owner/manager. Students who choose to secure their own housing take full responsibility for all costs incurred including rent, all utilities (electricity, water, heat, Internet), meals, etc. and will pay a deposit to cover any damages. Students are encouraged to spend their first days in Granada in a hotel/hostal while they visit the available flats and process the necessary paperwork and payments. Due to the dates and the duration of the J-Term Program, we do not recommend that students attempt to find their own housing for this brief stay.
