GENERAL REGULATIONS FOR SPANISH COURSES

THESE RULES AND REGULATIONS APPLY TO ALL STUDENTS ENROLLED ON COURSES AND IGNORANCE IS NO DEFENCE.

AGE AND PREVIOUS STUDIES

Students must be at least 16 years old and have finished high school or compulsory secondary education.

REGISTRATION AND PAYMENT OF COURSES

Students can register online for their chosen course on our web page (www.clm-granada.com) by completing the relevant registration form and making the corresponding payment by bank card.
CLM will recognize as payment the amount received in its bank account. All bank fees must be covered by the student.

The total fee of each course (1st instalment + 2nd instalment) must be paid before students take the level test. Without full payment, students cannot start their course.

Discounts only apply to the courses mentioned and provided they are booked for at the same time.

Since the number of places on any course or subject is limited for pedagogical reasons, CLM may close the official enrolment period earlier than anticipated, once all available places have been filled. Admission is carried out strictly according to the order in which registration forms are received. Thus, in order to guarantee a place, students should register as soon as possible. However, if places are still available, students can register up to two days before the level test. In the case of courses involving different subjects, the chosen options and group should be clearly marked when registering in order to guarantee places. Students can check which groups are available from the timetable published on the CLM web site.

LEVEL TEST

Students must take a compulsory level test on the day specified in the course calendar. For some courses students are required to have a certain command of the language which they must demonstrate in the level test otherwise they will not be able to enrol on the chosen course.

Those students who do not pass the level test for the Hispanic Studies Course or the Spanish Language and Culture Course can enrol on a different course.

The level test lasts between 2 and 3 hours (3 and 4 hours for the Hispanic Studies and Spanish Language and Culture Courses) which are not included in the total number of teaching hours.

ENROLMENT

Once the results of the level test have been published, students have two days to fill in their personal data and upload the necessary documents (passport and passport size photo) to their student login if they have not done so beforehand:
https://gap.clm-granada.com/alumno/

In CEH and CLCE, students have five days starting from the first day of the course to make any necessary changes to their enrolment. In the case of CILE and CILYC, the dates for any changes are as follows: 40 hrs course: first two days; 60 hrs course: first three days; 80/90hrs courses: first four days. In the CELE course, students have one week to change.

N.B. If changes to enrolment in the Hispanic Studies Course or the Spanish Language and Culture Course mean that students are registered for fewer than four subjects, these subjects will be charged as individual subjects.

EXAMS

Students who have attended less than 80% of classes will not be entitled to take the final exam. The final exams for subjects in the Hispanic Studies Course or the Spanish Language and Culture Course will take place in the final week of the course, in line with the official CLM calendar drawn up by the Director's Office. During the exam week there are no classes. Exams may not be taken on any other date. The deadline for requesting revision of exams and grades is the last working day of the academic year. The final exam for CILE and CELE takes place on the last day of the course.

ACADEMIC CALENDAR

CLM is closed on Saturdays and Sundays. On national, regional and local public holidays, no classes will be taught and the hours will not be recuperated.

EXAMS CALENDAR

The exams set in the official calendar by the CLM cannot be modified unless a justified cause is provided, which is included in the regulations for bringing exams forward, duly justified with documentation: Illness, serious illness or death of a family member, an official appointment with Administration or the Court, due to force majeure.

In the event that the reason for the request is not included in the previous section, the date of the exam may be modified provided that the student pays the fees for the modification of the date and has the approval of the Management.

REFUNDS POLICY

If the Director's Office at the Centro de Lenguas Modernas cancels a course or level, 100% of the amount paid is eligible for refund.

When cancellation is requested for a duly justified and duly documented cause (illness of the student, serious illness of a family member or force majeure), CLM will refund the amount paid discounting the number of class hours enjoyed up until the date the request is presented in writing, and a further 20% of the full price of the course (no discounts will apply) to cover administrative costs. Visa refusal will not be considered a justified cause for a refund of the amount paid. The student shall have the right to **transfer their enrollment only once** to another course starting within one year or less of the start date of the course originally booked. If the new enrollment corresponds to a later academic year, the student must pay the difference in tuition fees. In the case of enrollment in successive courses, each course will be considered independently. Therefore, if cancellation is made at least 15 calendar days prior to the date of the placement test, the amount paid for that course will be refunded in full. If the course has already started, the general refund conditions mentioned above will apply.

Refunds will not be considered in any other case, nor the transfer of the amount paid to another person. Tuition fees subject to refund will lose any discounts that may have applied. All requests must be submitted in writing to devoluciones@clm.ugr.es and the amount to be refunded will be calculated according to the hours pending on the date of request.

COMMUNICATION WITH STUDENTS

Specific communication or notification relating to the student's course will be made by e-mail or telephone. Timetables, classrooms and other course information, together with activities organised by CLM will be published on the notice boards in the patio and/or the CLM web page (www.clm-granada.com).

RIGHT OF WITHDRAWAL

For payments made online, the user may retract their registration within a maximum period of 14 calendar days from the date of purchase. During this period subject to the **right of withdrawal**, CLM will give a **full refund** of the amount paid. The right of withdrawal will not apply in the following cases:

1. If the user has completed the course, exam or activity in full before the deadline for requesting withdrawal.

2. When contracting services related to leisure activities, including but not limited to booking or registering for cultural activities, visits to monuments, excursions, parties, sporting events, and similar activities with a specific date or period of execution.

All of the above is in accordance with the provisions of Article 103 a) and l) of Royal Legislative Decree 1/2007, 16 November, which approves the revised text of the General Law for the Protection of Consumers and Users and other complementary laws in Spain.

If the user wishes to exercise the right of withdrawal once the course has begun but within the established period for doing so, 100% of the hours not enjoyed at the moment of written notification will be refunded.

It will not be possible to transfer the amount paid to another person.

To exercise the right of withdrawal, the user must expressly notify CLM by presenting a written request or send an email to devoluciones@clm.ugr.es.

The refund will be made as soon as possible and no later than 14 days from the date the user notified their intention to withdraw. The refund will be made using the same payment method used for registration.

Registrations subject to refund will lose any discounts that may have applied

CERTIFICATES AND DIPLOMAS

CLM issues the following certificates:
1. Payment of the first instalment and enrolment certificates. These will be issued a minimum of one week after the date of requested.

2. Grade certificate/transcript. This document states the number of courses hours, the level reached and the grade achieved. This certificate is issued on the completion of each course at CLM (CILE, CEH, CLCE, CILYC, CELE, etc).
